

Employment Opportunities at Whiting Refinery

The Whiting Refinery team places a great deal of emphasis on process control and optimization. Most important, however, is that we continue with our primary goals of ensuring workplace safety, and minimizing impact to the environment.

Achieving these goals takes a great team. And there's a very real sense of pride that comes from being part of this world-class team at BP's Whiting Refinery.

If you would enjoy the opportunity to put your experience to work in a challenging and supportive environment where both personal and professional development is warmly embraced, we welcome you to explore opportunities at BP's Whiting Refinery.
