Briefly describe project or program for which you seek funding:

Amount of Request:

Within which of BP's Focus Areas does this project or program fall?

- Education
- Entrepreneurship

Explain how it fits?

Are there any deadlines by which you need a decision in order to include BP on your list of supporters for a particular program or event?

If your program fits within BP's community support focus areas, meets other criteria, and funds are available for new projects within your region, you will be asked to submit a more detailed proposal for consideration. We will contact you to advise if a proposal is desired.
