

bp's contribution to Northern Ireland in 2025

Analysis and modelling by Oxford Economics

Economic contribution

bp supported a contribution of around £40 million gross value added (GVA) to the economy of Northern Ireland. This was approximately £1 in every £1,500.

Overall spend with suppliers

bp spent £3.3 million on operational spending with Northern Irish suppliers in the professional services sector.

Supporting jobs

bp supported an estimated 470 jobs across Northern Ireland, comprising its direct workforce and jobs indirectly supported through supply chain expenditure.

Delivering quality services

There were 36 bp-operated and dealer-operated retail sites in Northern Ireland offering quality fuels and convenience. 30 sites offered bp pulse ultra-fast and rapid EV charging.

Spotlight on social investment

As part of our funding of We Are Futures, bp supports teachers and students across the UK through Energising Futures, which provides free, curriculum-aligned science resources. In 2025, 258 teachers across 193 schools in Northern Ireland used the programme, reaching an estimated 19,900 students indirectly.
