How to Submit Clarification Requests

When you require clarification on any aspect of the RFQ, please submit your query using the comment function within the RFQ .
You may also attach supporting documents where necessary, and you will be notified when bp provides a response.

Access comments

To view the comments area on a RFQ, open the RFQ and then click the **comments** button.
If bp adds a comment to the RFQ first, you will receive a notification; click the notification to view the comment from the RFQ's detail screen.
