Working with Oxalis

Supporting jobs

bp supported an estimated 2,900 jobs across Yorkshire and The Humber, comprising its direct workforce and jobs indirectly supported through supply chain expenditure.

Delivering quality services

There were 80 bp-operated and dealer-operated retail sites in Yorkshire and The Humber offering quality fuels and convenience. 29 sites offered bp pulse ultra-fast and rapid EV charging.

> "bp is a hugely important part of our UK fuel and aviation operations. It represents around a third of what we do in the country, and our long-term strategic relationship means we're able to work with bp on exciting developments like a new fuel delivery tracking system."

Roel Steinhage
Contract manager, Oxalis Logistics, headquartered in Huddersfield.

Spotlight on social investment

bp works in partnership with The King's Trust to support its Get Into Retail programme, providing employability training and hands-on work experience to help people move into retail roles. In 2025, 11 participants in Leeds completed the programme, with six going on to secure employment with bp.
