## Scholarship application process

1

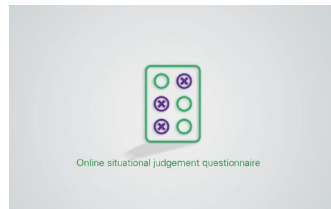

Online application form

Complete the detailed online application form.

2

Online situational judgement questionnaire

You will be asked to complete an online situational judgement questionnaire which is a scenario-based test. This helps us to understand how you would react in certain situations and how aligned you are to BP's values and behaviours.

3

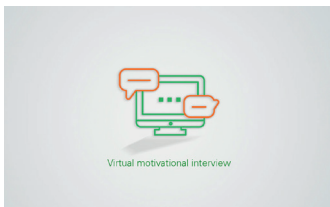

Online numerical and verbal tests

You will be invited to complete two tests which will assess your numerical and verbal reasoning.

4

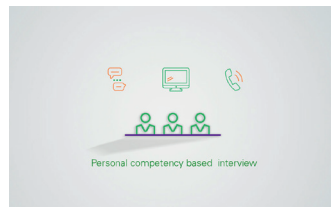

Virtual motivational interview

You will be asked to complete a virtual interview to understand why you are interested in the programme.

5

Personal competency based interview

You'll be invited to complete a personal interview. We use a series of competency-based questions that focus on your personal experiences and how you align with BP's values and behaviors. This will be done face-to-face.

6

Offer

And, if you are successful you will receive an offer to join the programme. Don't forget to stay in touch after you accept the offer.
