Graduate and Internship application process

Process and academic adjustments

If you need an adjustment, for example due to an illness, injury, disability or wish to discuss any mitigating circumstances that affected your academic results please call us on 0800 279 2088. If you are calling from overseas, please dial +44 1635 584149. Alternatively you can send us an email at enquiry@bpgraduates.co.uk. A dedicated member of our team will advise on what adjustments can be made according to your individual requirements. All information provided to us will be completely confidential.
