

Mozambique

Graduate and Internship application process

1

Degree matcher

Use our degree matcher to search for opportunities that match your skillset.

2

Online application form

Complete the detailed online application form and submit your resume or CV.

3

Offer

And, if you are successful you'll be made an offer of employment to join the team at BP. Don't forget to stay in touch after you accept the offer.

Process and academic adjustments

If you need an adjustment, for example due to an illness, injury, disability or wish to discuss any mitigating circumstances that affected your academic results please call us on 0800 279 2088. If you are calling from overseas, please dial +44 1635 584149. Alternatively you can send us an email at enquiry@bpgraduates.co.uk. A dedicated member of our team will advise on what adjustments can be made according to your individual requirements. All information provided to us will be completely confidential.
