

Virtual Interviews - Top Tips!

1. Understand the technology and test your connections

Download the software, watch any helpful tutorials, and check software compatibility with computer.

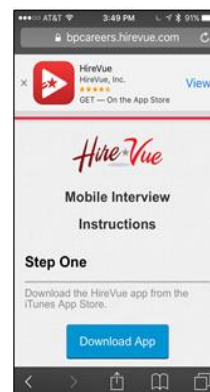

Try it out!

STEP 1: go to

<https://bpglobalportal.web.bp.com/irj/portal>

STEP 2: Enter name and email then click the "next" arrow to access the demo

Alternatively: download the HireVue app to begin a practice interview on your phone/device

2. Stage your setting

Look for uncluttered area that is private, quiet, and has good lighting. Dress to impress. Remove any distractions

3. Make friends with the camera

Look directly into the camera and smile. Center focus should be on your face, shoulders, and above eye level.

4. Don't take it lightly

Approach virtual interviews in the same way that you would in person

5. Dress for success

Wear the same clothing that you'd wear in a face-to-face interview.

6. Practice makes perfect!

Schedule a practice session through career services or with a friend. Ask for candid feedback about lighting, sound & your appearance.

Remember to smile!
