About BP Midstream Partners

BPMP is a fee-based, growth-oriented master limited partnership formed by BP Pipelines (North America), Inc. (“BP Pipelines”) to own, operate, develop and acquire pipelines and other midstream assets. BPMP’s assets consist of interests in entities that own crude oil, natural gas, refined products and diluent pipelines, and refined product terminals, serving as key infrastructure for BP and other customers to transport onshore crude oil production to BP’s Whiting Refinery and offshore crude oil and natural gas production to key refining markets and trading and distribution hubs. Certain of BPMP’s assets deliver refined products and diluent from the Whiting Refinery and other U.S. supply hubs to major demand centers.

This release is intended to be a qualified notice under Treasury Regulation Section 1.1446-4(b). Brokers and nominees should treat one hundred percent (100.0%) of the Partnership’s distributions to non-U.S. investors as being attributable to income that is effectively connected with a United States trade or business. Accordingly, the Partnership's distributions to non-U.S. investors are subject to federal income tax withholding at the highest applicable effective tax rate.
