*** On 4 April 2025, bp announced that the board of directors had initiated a succession process to select a new chair, after Helge Lund informed the board of his intention to step down in due course. The succession process is well underway. Whilst it progresses, the board will continue to consult with its shareholders to understand the reason behind the result for resolution 3 on the re-election of Helge Lund and will provide an update on the views received from shareholders and the actions taken within six months of today's meeting.
