

BPYA Camp rules to be followed by the participants:

1. Carefully read the fire safety precautions and be aware of the assembly point location.
2. It's a priority to act safely in the camp at all the times.
3. Students are not allowed to leave the camp separately, for activities, without informing the Activity Leader or Guardian and obtaining a leave pass.
4. Do not climb or use a climbing wall without an Instructor or a Guardian present.
5. No smoking and no alcohol is permitted.
6. Never use fire in the rooms/camps.
7. Treat the building, property of the camp and the activities equipment with respect.
8. Do not litter the camp or activity sites. Use the rubbish containers provided, in a correct manner.
9. Switch off the AC units and lights when not in use.
10. Do not sit/stand on the balcony rails of the rooms.
11. No music is permitted after 30 minutes of putting off the lights. Behave responsibly!
12. Beds need to be made and rooms should be cleaned before the day begins.
Camp Lead and Guardians will be checking each room.
13. Do not leave the water tap running in the bathrooms or anywhere in the camp.
Water is a precious resource in this area.
14. Visitors are only allowed if they are invited by BP representatives or camp management.
No visitors will be allowed to stay overnight without a 24-hour notice.
