

## **ACKNOWLEDGEMENTS**

This Environmental and Socio-Economic Impact Assessment (ESIA) for the Shallow Water Absheron Peninsular (SWAP) 3D Seismic Survey was carried out by AECOM on behalf of BP (as Technical Operator) and the SWAP Production Sharing Agreement signatories.

AECOM acknowledges the collective and individual contributions from a range of companies, academic and scientific experts and institutions in the preparation of this ESIA. AECOM is grateful for the willing assistance of these parties and their contributions to a rigorous and comprehensive report.
