PRESS RELEASE

bp Hungary appoints new head of country

On 1 June 2021 **Julianna Kulczycki** has been appointed as **head of country, Hungary**. Julianna is head of customer operations Castrol in the global business services (GBS) customer organization and based in Budapest.

Julianna will oversee internal and external advocacy and government relations on behalf of bp in Hungary.

Julianna joined bp in August 2019 to lead the lubricants operations in GBS. Under her leadership the cooperation and partnership with Castrol has reached new high levels. Previously she was with Tesco as their head of operations and before that worked at BT for 11 years in various leadership roles.

Julianna said: “Our GBS organization is well-known in the Hungarian market as one of the best and biggest employers. I’m excited to represent bp’s businesses in Hungary and create awareness around bp’s net zero ambitions and sustainability agenda.”

Julianna is taking over as of head of country from Viktor Knezevics, who has elected to leave bp.

ENDS

Új országigazgató a bp Magyarország élén

**Kulczycki Juliannát** nevezte ki országigazgatónak magyarországi vállalatai élére a bp. Julianna a bp Castrol üzletágának global business services (GBS) vezetője és Budapesten él.

Julianna 2019 augusztusában csatlakozott a bp-hez, a Castrol üzletág GBS operációs igazgatójaként. A bp előtt a Tesco operatív vezetője és a BT vezetőségi tagja volt. Julianna kinevezése 2021. június 1-én lépett életbe, és a bp-től távozó korábbi országigazgató, Knezevics Viktor feladatait veszi át.

“ Üzleti szolgáltató központunk jól ismert és elismert a magyar piacon, mint az egyik legjobb és legnagyobb munkáltató. Megtisztelő feladat, hogy a bp magyarországi üzletágait képviselhetem és remélem, hogy lehetőségem nyílik széles körben bemutatni a bp dekarbonizációs és fenntarthatósági terveit.”

### Notes to editors

bp GSB Europe won the *Best Shared Service Centre* prize at the CEE Shared Services and Outsourcing Awards on February 2, 2017.

bp has been present in Hungary since 1991. GBS (Global Business Services) Europe was established in 2009 and is led by Jamie Anderson, who was appointed head of GBS Europe in 2013 when he joined bp.

bp GBS Europe has been the support hub of the European continent from its Budapest bureau and Szeged office.

Our new Budapest office, Agora, won office of the year 2020 sustainability and interior design award in June 2021.

bp's business centres provide a wide range of services in 15 different languages for all of bp's businesses and customers. The activity managed from GBS Europe includes finance and accounting, procurement, tax, HR services, trading support and customer services.

85% of bp's employees in Hungary (2000 staff in Budapest and 500 in Szeged) hold advanced degrees, their average age is 32 and over half speak more than two languages fluently. With appealing working conditions, an open and friendly corporate culture based on the company's values, and trainings, it offers its employees a constant opportunity to develop. It strives to embrace diversity.

bp's culture is encapsulated in its distinctive employee value proposition which affirms its commitment to make bp a great place to work.

bp's Global Business Services creates value for bp by achieving economies of scale; by re-engineering business processes to be more efficient and reliable; by generating business insight from data analytics; and by embracing innovation and technology.
