

Xero feed authority to disclose information – Terms of Use

Before submitting your request to enable the BP Fuelcard feed(s), please ensure that you read and understand the below terms of use.

These terms are to be read in conjunction with the BP Fuelcard privacy policy and data collection notices, both of which can be viewed [here](#).

Please note that the BP Fuelcard – Xero integration is only available to customers who receive invoices for their BP Fuelcard purchases from BP directly. If you are invoiced for your BP Fuelcard purchases from any other organisation, your account may not be eligible for integration with Xero.

By clicking accept, you will activate a feed from your BP Fuelcard account to Xero, enabling it to send transaction data and account details from your selected BP Fuelcard account to the Xero platform. This data will be sent to Xero with every BP Fuelcard billing cycle.

The BP Fuelcard feed(s) are subject to the following terms of use:

1. By submitting your request to enable the BP Fuelcard feed(s) (**the Feed**), you warrant and represent that you are an authorised representative of the owner(s) of the BP Fuelcard account(s), and that you have the authority to agree to these terms of use on their behalf. You acknowledge and understand that the BP Fuelcard transactional invoice data and account details (**Data**) can be viewed by the authorised users of the relevant Xero account-holder.
2. You give permission for BP to disclose your Data, as well as any personal information about you or third parties that the Data may contain, to Xero. Once sent, this information will be subject to the privacy policy and information security controls of Xero. Xero's privacy policy may be viewed here: Xero's privacy policy may be viewed [here](#).
3. You understand that the Feed, once activated, can be de-activated by any authorised user of your BP Fuelcard account, regardless of whether they were involved in activating the Feed.
4. Xero may, in its sole discretion, de-activate the Feed without your consent. You accept that this is outside of BP's control.
5. BP reserves the right, at its sole discretion, to cancel the Feeds at any time, or to vary, delete, or supplement these terms and conditions at any time by giving notice to you.
6. Notwithstanding your activation of the Feed, BP Fuelcard terms and conditions will continue to apply to your use of the BP Fuelcard (these terms and conditions can be viewed [here](#)). Where there is a conflict between these terms of use, and the BP Fuelcard terms and conditions, these terms of use will prevail.
7. You accept that no historical data for your BP Fuelcard account will be integrated with the Xero platform, and that the Feed(s) will only operate from the date of your acceptance onwards.

8. To the extent permitted by law, you agree not to hold BP liable in contract, tort (including negligence), or otherwise for any damage, loss including special or consequential loss, cost (including legal costs) incurred by you, or any person, caused from the act or omission by BP or Xero, of any information included in the Feed.
9. You agree to indemnify and hold harmless BP against all loss, damage, cost, expense, claim, proceeding, or liability of any kind, which BP may suffer or incur to any person as a result of BP acting on your instructions set out in these terms and conditions.
10. No agency, partnership, joint venture or any other type of similar relationship exists between BP and Xero, and BP accepts no responsibility for the actions, omissions, fraud, or negligence of Xero or any other third party.
11. This agreement will remain in place until the Feed is de-activated.
