

## ACTION REQUIRED!

### bp America – New Diverse Supplier Platform is Live!

---

To all AVMS profile owners

#### WHAT'S HAPPENING?

##### bp America – New Diverse Supplier Platform is Live!

Effective today, the bp supplier diversity portal is transitioning to a new platform hosted by Supplier.IO. In the new platform, you can:

- Highlight your products and services for our procurement organization to discover your information in one convenient place.
- Efficiently manage your engagement with bp leveraging diversity as a part of your value proposition.
- Update your information for bp and multiple companies at the same time.
- Experience other opportunities to be recognized as a diverse supplier.

Below is the step-by-step process to register in our new portal:

1. Go to the [link](#).
2. Create a profile within ten days. If you have an existing profile with Supplier.IO., please complete the additional bp unique questions.
3. Save and submit.

The redirect link via [www.bp.com/supplierdiversity](http://www.bp.com/supplierdiversity) is already enabled. Please forward to your user community.

Note – Effective November 19<sup>th</sup>, the former platform will be disabled and bp will no longer have access to your company's profile. **You must create a new company profile in Supplier.IO within ten (10) days to remain active in the bp supplier diversity portal.**
