

Team Building

Team Assessment

The Construction Manager should:

- ▣ observe your team as they work together to help you build the copy of the model structure
- ▣ fill in this form at the end of the activity
- ▣ be helpful and think of ways each person could work better the next time.

How well did the team...

Work together?

Not so well

Quite well

Very well

Listen to each other?

Not so well

Quite well

Very well

Deal with disagreements?

Not so well

Quite well

Very well

Communicate by speaking?

Not so well

Quite well

Very well

Use their diagrams and notes?

Not so well

Quite well

Very well

Make decisions?

Not so well

Quite well

Very well

Who spoke the most?

Who listened the most?
