

Thunder Horse

The Thunder Horse is BP's largest production and drilling platform in the Gulf; it can house nearly 300 workers in its living quarters.

Location: 150 miles southeast of New Orleans

Operator: BP (75%)

Partners: ExxonMobil (25%)

Operates at a water depth of
6,050 feet.

That's more than

10x

the height of the Washington Monument.

Main deck area of
163,000 sq ft

is big enough to fit nearly 3 regulation football fields.

Can produce up to
250,000 barrels of oil per day.

It can also produce up to 200 million cubic feet of natural gas per day.

That's enough energy to power
every home 
in Miami for a month.
