FERC No. 270.8.0 or successive issues thereof.**

**Item No. 25(b) - Quantities**

(b) Nominations for the transportation of Crude Petroleum will be accepted each month in quantities of not less than fifty thousand (50,000) barrels from one Shipper, consigned to one Consignee and destination, unless authority is received by the Shipper from the Carrier to nominate an amount lower than the quantity provided for under this item. Crude Petroleum so nominated to the Carrier for transportation will be received as space is currently available, providing the total within a month's time is not less than fifty thousand (50,000) barrels (excluding authorized exceptions). Nominations for transportation of Crude Petroleum will be received in lots of less than fifty thousand (50,000) barrels only if, in the sole judgment of the Carrier, the Carrier's facilities and operating condition permit.
