**BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF CALIFORNIA**

Order Instituting Rulemaking to Establish
Energization Timelines.

Rulemaking 24-01-018
(Filed January 25, 2024)

**MOTION FOR PARTY STATUS OF BP PULSE IN THE ORDER INSTITUTING
RULEMAKING TO ESTABLISH ENERGIZATION TIMELINES**

I. INTRODUCTION

Pursuant to Rule 1.4 of the California Public Utilities Commission’s (“Commission”) Rules of Practice and Procedure, bp pulse respectfully requests party status in the Order Instituting Rulemaking to Establish Energization Timelines.

II. DESCRIPTION OF BP PULSE

At bp pulse, we simplify electrification by providing easy and convenient charging solutions and charging infrastructure. bp pulse is bp’s electric vehicle charging business, rolling out fast, reliable charge points to consumers and commercial fleets around the world. Within North America, the bp pulse fleet division, headquartered in Mountain View, California, focuses on providing electric vehicle charging and energy management to fleets that operate heavy-, medium and light-duty vehicles.

III. INTEREST IN THE PROCEEDING

bp pulse is interested in this proceeding and will provide input to the Commission on issues that affect its interest as an electric vehicle charging provider. bp pulse is particularly interested in efforts to ensure the timely interconnection and energization of electric vehicle charging infrastructure.

IV. REQUEST FOR PARTY STATUS

As described above, bp pulse has a direct interest in this proceeding. Granting this motion will not prejudice any party, delay or expand the scope of the proceeding. For these reasons, bp pulse respectfully requests that it be made a party to this proceeding.

V. NOTICE

Please add Heidi Sickler to the service list as bp pulse's representative:
